INTRODUCTION TO SCAM BINGO

TO STOP FRAUD™

SCAM BINGO

The Scam Bingo campaign aims to support older people age 65+ to protect themselves against fraud and scams. With bingo a popular way to connect for older people, we are developing a free-to-play Scam Bingo game to help people learn the most common frauds and scams. The game and this campaign peak will focus on uncovering the most common criminal tactics the audience are approached with and the most common frauds and scams that impact this audience.

The [Take Five to Stop Fraud](#) campaign is collaborating with Age UK on this activity and will be running an in-person event with a famous face (exact person to be confirmed) to encourage people to play Scam Bingo and learn how to protect themselves against fraud and scams. As part of the campaign we are sponsoring several Age UK regional hubs to deliver scam bingo events and encouraging support from Age UK regional hubs across the UK (125+). A downloadable pack with the Scam Bingo instructions and cards is available in this toolkit, so you and wider stakeholders can play the game yourselves or organise events for the public to attend.

Leading up to the campaign will be the media launch with the famous face who will host the live Scam Bingo event – we would love to see your support and organisation of Scam Bingo events during the launch week (w/c 27 February) to raise awareness of the campaign.

Within this toolkit there is also a suggested social copy, newsletter copy, and creative assets for you to share on your own channels during the week to support the campaign and empower people in your network to Stop, Challenge, Protect.

Please don't distribute any content externally before w/c Monday 27 February.

Your support is crucial to this campaign to help protect people from criminals and the impact of fraud and scams.

HOW CAN YOU GET INVOLVED?

We'd love to see support above and beyond the content (social copy, newsletter copy, and creative assets) in this toolkit via your channels and on the ground. We saw great support for the campaign during The Business Cost of Fraud peak (January 2022), The Art of Impersonation (April 2022) and most recently The Cost of Living peak (October 2022) and would appreciate the same level of support again – as we are targeting an older audience we're keen to see support using offline methods, other activities could include:

- Run your own Scam Bingo event and signpost customers/networks to the materials
- Using branding on the ground
- Posters/Leaflets/Banners
- Using branding in-branch and events
- Website takeovers (specifically dedicated customer areas)
- Social media/app content/support
- Customer emails
- Staff and internal engagement (intranets, newsletters, webinars etc.)
- Website blogs/articles
- Regional press activity

Take Five to Stop Fraud – Scam Bingo

We are proud to be supporting the [Take Five to Stop Fraud](#) Scam Bingo campaign. With bingo a popular way to connect for older people, the free-to-play Scam Bingo game helps people protect themselves against the most common frauds and scams through a fun and friendly game. The campaign will focus on uncovering the most common criminal tactics that older people are approached with and the most common frauds and scams.

The Take Five to Stop Fraud campaign has joined forces with Age UK and will be running an in-person event with a famous face during w/c 27 February to get people testing their fraud prevention knowledge by playing Scam Bingo. We encourage you to play along from home or your workplace and see who amongst your friends, family and colleagues knows their stuff. Download the instructions and bingo cards here: <https://www.takefive-stopfraud.org.uk/toolkit/>

If you think you may have fallen for a scam, contact your bank immediately and report it to Action Fraud on 0300 123 2040 or via actionfraud.police.uk. If you are in Scotland, please report to [Police Scotland](#) directly by calling 101 or [Advice Direct Scotland](#) on 0808 164 6000.
