INTRODUCTION TO FAMILY FIBS

TO STOP FRAUD™

FAMILY FIBS

The Family Fibs campaign, taking place w/c 20 November 2023, will explore the ways parents pull 'scams' on their kids every day (from telling them their noses would grow if they told a lie, to convincing them their eyes would go square if they sat too close to TV!) In a humorous way, we'll put a spotlight on these light-hearted fibs while linking back to the tactics criminals use to commit fraud.

This campaign will encourage parents, primarily busy mums (aged 35 and older) to follow the advice of the [Take Five to Stop Fraud](#) campaign and Stop, Challenge, Protect.

Leading up to the campaign, we will develop video content with a parenting celebrity. The content will be shaped around the chosen parenting celebrity and in the video they will share their own humorous 'everyday parenting scams' and encourage other parents to 'fess up' to the fibs they've told their children.

Within this toolkit you will find suggested social copy, newsletter copy, and creative assets for you to share on your own channels during the week. Your support is crucial to this campaign to help protect people from criminals and reduce the impact of fraud and scams.

Please don't distribute any content externally before Monday 20 November 2023.

TO STOP FRAUD™

HOW CAN YOU GET INVOLVED?

We'd love to see support above and beyond the content in this toolkit via your channels and on the ground. We saw great support for the campaign during the last campaign peak for **Family Fibs peak** and would welcome the same level of support again – as well as using the content in this pack, activities could include:

- Website takeovers
- Special IVR messaging
- Online polls/quizzes
- Using branding in-branch
- Videos in branches – video with celebrity mum will be launched during the week
- Events
- Staff and internal engagement (intranets, newsletters, lunch & learns etc.) e.g. aimed at parents sharing their 'family fibs'
- Drop-in desk for customers in branch, with staff available for Q&A
- Parent-focused external communications to encourage sharing

Tell us about your plans for Family Fibs: takefive@ukfinance.org.uk and takefive@four.agency

TO STOP FRAUD™

NEWSLETTER/WEB COPY

Take Five to Stop Fraud – Family Fibs

We are proud to be supporting [Take Five to Stop Fraud](#) as they warn the public to protect themselves from criminals as part of their Family Fibs campaign. Parents tell their children lighthearted fibs to make the day run a little smoother, from warning them their noses will grow if they tell a lie, to convincing them their eyes will go square if they sit too close to the TV! Fibs can be funny but unfortunately, criminals use the same tactics of deception to trick people into their scams and take their money.

Stay one step ahead of criminals by following the advice from [Take Five to Stop Fraud](#) and Stop, Challenge, Protect. Taking a moment to stop and think before parting with personal or financial information could keep you safe.

If you think you may have fallen for a scam, contact your bank immediately and report it to Action Fraud on 0300 123 2040 or via actionfraud.police.uk. If you are in Scotland, please report to [Police Scotland](#) directly by calling 101.
