

BE ON YOUR GUARD AGAINST FRAUD

Stop and think. It could
protect your business.

Criminals are experts at impersonating people, businesses and the police. They spend hours researching your business for their scams, hoping you will let your guard down for just a moment.

STOP

If you receive a request to make an urgent payment, change supplier bank details or provide financial information, take a moment to stop and think.

CHALLENGE

Could it be fake? Verify payments and supplier details directly with the company on a known phone number or in person first.

PROTECT

Contact your business's bank immediately if you think you've been scammed and report it to Police Scotland directly by calling **101** or Advice Direct Scotland on **0808 164 6000**.
