

## STOP

Take a moment to stop and think before parting with your money or information. It could keep you safe from criminals.

## CHALLENGE

Could it be fake? It's ok to reject, refuse or ignore any requests. Only criminals will try to rush or panic you.

## PROTECT

Contact your bank immediately if you think you've been scammed and report it to Police Scotland directly by calling **101** or Advice Direct Scotland on **0808 164 6000**

Criminals are experts at impersonating people, organisations and the police. They spend hours researching you for their scams, hoping you'll let your guard down for just a moment.

**Stop and think.**

It could protect you and your money.
